

Welcome to Winter Quarter of Outdoor Wilderness at Audubon!

We'll bring the fun and shelter- you bring the energy!

Welcome to the Winter term of Outdoor Wilderness where we will have a blast learning through adventure! Join us as we turn Audubon Elementary into our own wilderness. We will learn valuable skills that will help students develop an appreciation for our natural world and empower them to work through adversity. We'll play team building games and learn outdoor living skills like shelter building, leave-no-trace ethics, orienteering using maps and compasses, and how to make the perfect s'more! We have great activities for all weather and will bring shelters to keep us dry on those rainy Seattle days like our Scandinavian tipi!

Please let us know if you need assistance with warm or waterproof clothing. Seattle Adventure Sports has loaners we can provide.

Winter Quarter Details:
